

TELL TALE
THEATRE

Mission Statement

Tell Tale Theatre immerses its audience in thrilling horror stories just waiting to be explored. Experience the wondering, fearing, doubting, and dreaming evoked by retelling the lore of our past, present, and future. Tell Tale wants to bring hair-raising literary works to life in avant-garde ways that ignite the true imagination of its audience members.

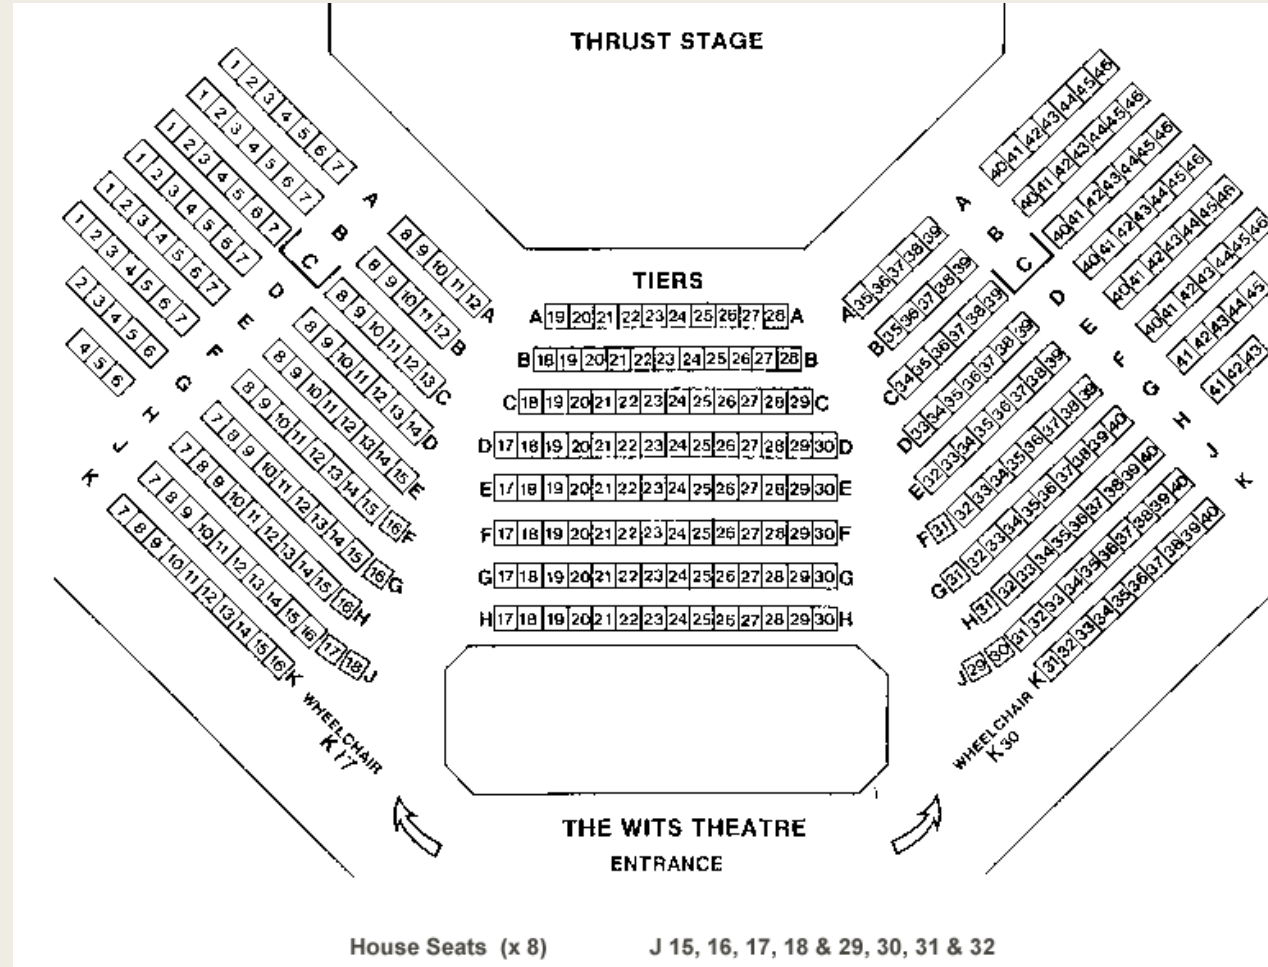

Using the eclectic city of Portland as our backdrop and the historic Heathman Hotel as our stage, this theatre will push artists to dive deeper in character development and foster the creative community in the area.
